CAUTION	ITION: A claim for this credit, including an amended claim, must be filed on or before the end of the twelfth month following the close of the taxable year for which the credit may be claimed. An extension of time for filing a return does not extend the time for claiming the credit. The taxpayer shall treat the amount of the credit allowable and claimed as a taxable income item for the taxable year in which it is properly recognized under the method of accounting used to compute taxable income. Alternatively, the basis of eligible property for depreciation purposes for State income taxes shall be reduced by the amount of the credit allowable and claimed. No credit may be claimed for property for which the Hotel Construction and Remodeling Tax Credit, the Motion Picture and Film Production Income Tax Credit, or the Technology Infrastructure Renovation Tax Credit is claimed.
